

# SUNDRAM FASTENERS LTD

- **Company**
  - Auto component manufacturers
  - Design of SPMs for internal use
- **Challenge ... SPM Development**
  - Faster development of Machines
  - FEA study of critical parts used in the machine.
- **SolidWorks Benefits**
  - Reduced design cycles by more than 50%
  - Very easy to create complicated models in a most convincing way, Shortest learning curve.
  - Very high user friendly package.

## 3 AXES HIGH SPEED FULLY AUTOMATIC DRILLING SPM

*“Very powerful 3D software tool for engineering design and drafting. Amazing performance in terms of stability and suitability for SPM development”.*

*- P.V Sudev Nair, Senior Manager-SPM*
